Certified Internal Auditor (CIA)

Earn the most globally recognized credential in the internal audit profession! Become a Certified Internal Auditor (CIA)!

The objective of this training program is to prepare participants to pass the CIA exam Part 1. Part 1 syllabus elements will be extensively reviewed at the appropriate level of testing. Multiple-choice questions after each section will be utilized to reinforce concepts reviewed, familiarize participants with the actual exam format and testing environment, measure the progress toward gaining the required knowledge and to identify any improvement needed.

The course will be taught by an experienced internal audit professional, certified in internal and external audit.
